Country
Webpage
Email address to the person who can confirm the status of the applicant in the Institution
Phone number to the person who can confirm the status of the applicant in the Institution

NARODOWA AGENCJA WYMIANY AKADEMICKIEJ

## Part 2. Applicant's achievements

1. A scientific biography of Applicant including:
  - a) education, Applicant's history of scientific work; where possible, provide the total number of citations of all your publications, excluding self-citations, as well as the h-index (preferred source: Web of Science TM Core Collection or Scopus),
  - b) a list of 3 achievements published no earlier than 2015 which meet the requirements described in point 2.1.1.5; it is required to attach a link to the page in the database where the publication is visible (if you cannot refer to the page with the publication, attach a PDF document with a view of the database page confirming the presence of the publication in the database). In the case of a monograph, please attach a file containing the cover page and page with the ISBN number. For journals, state the current value of the 5-year Impact Factor or CiteScore index, provided that a journal has calculated values of these bibliometric indices, and the number of citations for individual publications without self-citations according to the Web of Science Core Collection or Scopus database,
  - c) a list of other publications including a maximum of 10 most important papers published no earlier than 2015,
  - d) a list of the most significant research projects that have either been completed or are still in progress, highlighting international projects as well as indicating financing sources and the Applicant's role in the project; for representatives of the fine arts field: information on participation in an international project and brief description of each project,
  - e) internships, awards, patents and patent applications, membership in scientific societies and organisations and other important achievements.
2. Scan of the doctoral diploma or a certificate of having attained a doctoral degree with an officially certified translation into English if the original is issued in a language other than English or Latin.
3. PDF of three selected publications in English. In case of a monograph, please attach a file containing the cover page, editorial page, table of contents and a selection of extracts containing the author's most important theses (up to 20 pages). For representatives of the fine arts field: copies of portfolios bearing the ISBN number that confirm the fact of having displayed three different artworks at a foreign institution or an academic centre or a copy of an distinction received in an international competition
4. Scan of employment confirmation issued by the human resources department or other document confirming the employment status at a foreign HEI or a foreign scientific/research centre after 31 August 2019; document should be in English and issued with the current date (not earlier than the date of announcement of the call). The document is not required if you obtained your doctoral degree after 31 August 2019.

## Part 3. Host Institution

Type of institution in which the Applicant will be hosted
Name of the institution
Faculty/division/team (according to the organisational structure of the institution)
<b>Person authorized to represent the host institution</b>
First name
Last name

NARODOWA AGENCJA WYMIANY AKADEMICKIEJ

Academic title/degree
Position
Email address
Phone number
<b>Person responsible for coordination of the planned activities and Applicant's visit</b>
First name
Last name
Academic title/degree
Position
Email address
Phone number
Phone number (mobile)

#### ATTACHMENT:
