

**Call for applications to participate in the programme**  
**No 46/2025 as of 16th of December 2025**

The Director of the National Agency for Academic Exchange, acting on the basis of Article 19(1) of the Act of 7 July 2017 on the National Agency for Academic Exchange (Journal of Laws of 2023, item 843), announces the call for applications for participation in the programme entitled **NAWA Strategic Partnerships – Call 2025**.

<b>I.</b>	<b>Purpose and timing of the Programme and Project duration</b>	1.	The aim of the Programme is to:
		Supporting higher education and science institutions to develop sustainable solutions for teaching, research, administrative and implementation cooperation through strategic international partnerships	
		2.	Programme specific objectives/expected results:
		1) Implementing or developing cooperation between the Applicant and Foreign Partners in order to work out and develop long-term, systemic relations in the area of internationalisation;  2) building the Applicant's potential on the international arena by promoting innovative solutions and best practices that are the subject of the Project.	
		3.	The programme will run from 1.10.2026 till 28.02.2029
		4.	Projects can be implemented from 1.10.2026 r. do 30.09.2028 (with a possibility of extension till 30.11.2028).
		5.	The duration of the Project may range from 12 to 24 months (27 months if the project is conditionally extended).

<b>II.</b>	1. The programme provides for mandatory indicators [YES/NO].	
	2. Target achievement indicators:	
	1) Number of realised exchanges (mobility) of students, doctoral students and academic staff (scientific, teaching, research, administrative) from Poland and abroad, including both stationary and hybrid and remote forms. Realised exchange (mobility) is understood as an exchange carried out and completed in accordance with the assumptions described in the Application Form.	Output indicator, mandatory
	2) The number of participants who took part in the completed exchanges (mobility) described in para. 1), above	Output indicator, mandatory
	3. The applicant must plan the implementation of at least 3 other indicators in the application, specific to the particular project and describing measurable effects of its implementation.	
<b>III.</b>	1. The following Applicants are eligible for the Call:	
<b>Eligible Entities</b>	1) entities referred to in art. 7 para. 1 item. 1 - 6b of the Act of 20 July 2018. Law on Higher Education and Science; 2) Entities referred to in Article 7(1)(8) of the Act of 20 July 2018. Law on Higher Education and Science, which provide education in Poland on degree programmes, postgraduate programmes or provide education for doctoral students/doctoral schools.	

	<ol style="list-style-type: none"> <li>2. The programme requires the Project to be implemented with at least one Strategic Partner, which is a university or scientific unit located and registered abroad. The Strategic Partner cannot be an institution financed from the Polish budget funds and must sign a letter of intent with the Applicant for the Project implementation.</li> <li>3. The number of Strategic Partners in a project can range from 1 to 6 institutions.</li> <li>4. The Programme allows for the possibility of implementing the project with the inclusion of Supporting Partners, which may be entities from Poland belonging to the category of eligible Applicants. The maximum number of Supporting Partners is 2.</li> <li>5. In connection with the cessation of cooperation between the Government of the Republic of Poland and the Government of the Russian Federation under the Agreement on cooperation in the fields of culture, science and education concluded in Warsaw on 25 August 1993 as a result of the aggression of the Russian Federation against Ukraine, natural persons who are citizens of the Russian Federation and institutions and other entities based in the territory of the Russian Federation are excluded from participation in the Programme.</li> </ol>
IV. Eligible activities	<ol style="list-style-type: none"> <li>1) Development of international strategic partnerships, the scope of which includes in particular: <ol style="list-style-type: none"> <li>a) organising exchanges of students, doctoral students and staff (scientific, teaching, research, administrative) from Poland and abroad;</li> <li>b) participation in study visits, internships, summer/winter schools, seminars, workshops, training or intensive courses, conferences, including international ones;</li> <li>c) development of modern teaching materials;</li> <li>d) the development or preparation of new and innovative learning tools and methods, including support for the implementation of international education programmes (leading to joint, double, or multiple degrees or micro-credits);</li> <li>e) Support for legal and organisational efforts to develop joint, double or multiple diplomas and microcredentials;</li> <li>f) strengthening the quality of education and research;</li> <li>g) Developing and implementing quality management systems for enhancing the quality of education;</li> <li>h) promotion of the teaching offer and image-building in the international education market;</li> <li>i) the organisation of conferences, including international scientific conferences; <ol style="list-style-type: none"> <li>j) support for the conduct of joint scientific research, research and development works on an international scale by the Applicant and Partners<sup>1</sup> and the preparation and dissemination of joint scientific publications (this activity can be supported to a limited extent – the support is complementary to other research funding instruments, e.g. NAWA for Researchers, NCN, Horizon, MSCA programmes);</li> <li>k) networking and establishing cooperation between partners;</li> </ol> </li> </ol> </li> </ol>

	<p>– implemented according to the rules set out in para. 4.2.5 of the Beneficiary Handbook.</p> <p><b>Note:</b> The Project must cover the implementation of at least 3 different thematic areas from the above mentioned catalogue. In addition, the amount of expenditure allocated in the Project for the theme "support for carrying out joint scientific research, research and development works in the international dimension (...)" cannot exceed 50% of the total Project budget.</p>
<b>V.</b>	1. The programme provides for the participation of Project participants <b>[YES]</b> .
<b>Eligible Project Participants</b>	<p>1) Polish student(s) (from the Applicant's and Partner's institutions) and international student(s) (from the Partner's institution(s));</p> <p>2) Polish doctoral students (from the institutions of the Applicant and the Partner(s)) and foreign doctoral students (from the institutions of the Partner(s));</p> <p>3) the staff of the Applicant and Partner(s) institutions.</p>
