

NOTE: The "Metrics" section is automatically completed based on the information entered in the following sections. To begin filling out the application, go to section „1. Applicant - Principal Investigator (PI)”

Name of the program

Bekker NAWA 2026

Year of recruitment

2026

Application number

Host institution

Applicant - Principal Investigator (PI)

Project title in Polish

Project title in English

Project start date

Project end date

## 1. Applicant - Principal Investigator (PI)

### 1.1. Personal data

1.1.1. Name

1.1.2. Surname

1.1.3. Phone number

1.1.4. Gender

1.1.5. Citizenship

1.1.6. ORCID number

1.1.7. Current scientific degree/title

1.1.7.1. Date of obtaining a doctoral degree

- Master or equivalent  
 Doctor of philosophy (PhD)  
 Degree of DSc (habilitation)  
 Professor (full professor)  
 Other

1.1.7.2. Scan of a document confirming doctoral degree

No attachment.

1.1.8. I apply as:

- PhD student  
 Employee with PhD

### 1.3. Scientific biography of the Applicant - Principal Investigator

#### 1.3.1. Education

1.3.2. Academic and scientific activity and/or work experience and professional career path, including subsequent places of employment, H-index and total number of citations of all publications, excluding self-citations (please indicate the source; preferred sources: Web of Science or Scopus)

1.3.3. A brief description of currently conducted research and projects

1.3.4. Information on awards, patents, internships, implementations, membership in scientific organizations, other important achievements

### 1.4. Publications or artistic achievements of the Applicant - Principal Investigator

No.	Title
1	<input type="text"/>

Authors

Percentage contribution towards the publication or artistic achievement

Bibliographic data and link to publication

The number of citations of the individual publication, excluding self-citations (please indicate the source; preferred databases: Web of Science or Scopus)

For journals with Impact Factor - the current five-year IF of the journal or the CiteScore value

Scan of the publication. In the case of a monograph, attach a file containing information about its review, title page, editorial page, table of contents and a selection of the parts containing the author's key theses. In case of an artistic achievement, attach a confirmation of its presentation

### 1.5. Completed and ongoing research projects (selected in national or international competitions, funded from sources external to the home institution)

Not applicable

No.	Project title
1	<input type="text"/>

Source of funding

Implementation period in years:

From:

To:

Role in the project

- Principal Investigator
- Project leader
- Other

## 2. Host institution

2.1. An invitation from the host institution prepared using the template provided in the Announcement that confirming its willingness to host a NAWA Fellow for the period applied for

No attachment.

2.2. Full legal name of the Host institution

2.3. Faculty/division/team (according to the organisational structure of the institution)

2.4. Country

2.5. City

2.6. Webpage

2.7. Description of the host institution, including its specific achievements (e.g. prominent position in world rankings, recognised accreditations, prestigious awards)

2.8. Reasons for choosing the host institution in the context of the activities planned in the project

2.9. Description of the supervisor and the team with reasons for choosing them to project implementation

2.10. Is this the first visit to the host institution?

- YES  
 NO

2.11. Supervisor at the host institution responsible for Applicant's visit

2.12. Form of courtesy

- Mr  
 Ms  
 Don't want to specify

2.13. Name

2.14. Surname

2.15. Scientific degree/title

2.16. Position

2.17. Email address

2.18. Phone number

## 3. The Project

3.1. Project title in Polish

3.2. Project title in English

3.3. Project abstract in Polish

3.4. Project abstract in English

OECD

OECD level I

OECD level II

OECD level III

3.5. Key words

3.6. Activities planned during the project: research, development, implementations.

Please describe:

- state-of-the-art
- objectives and assumptions
- research question and hypothesis/description of the problem to be solved
- proposed tools and methods
- practical skills to be acquired by the Applicant (if applicable)
- degree of innovation

3.7. Additional information: graphics, charts, etc.

No attachment.

3.8. Expected measurable results of the project (articles in international scientific journals, monographs, patents, etc.) and dissemination of the project results

3.9. Risk analysis and security

- risk analysis and planned measures to mitigate risks associated with Project implementation
- security and data protection issues, including the potential risks of international cooperation, as well as responsible and secure use of research results, including possible dual-use implications

3.10. What benefits can the project bring to the home institution, development of science, innovation, society and other areas? A plan to implement the acquired knowledge and skills in the Applicant's home institution

3.11. Expected impact of participation in the programme on the development of the scientific/academic/professional career of the Applicant

3.12. Is this another application from the Applicant in this program?

- YES  
 NO

3.13. Work Schedule: up to 10 key milestones

No.	Activity
1	<input type="text"/>

3.14. Describe the open data practices that will be integrated into the project. Explain how the choice of practices and their implementation will be adapted to the nature of the project. If you do not believe that any of these practices are appropriate for your project, please provide a justification here

## 4. The Budget

4.1. Mobility duration (full months only)

4.2. Duration of the Project in months (The project implementation period includes the mobility period plus 3 months)

4.3. Project start date

4.4. Project end date

4.5. Scholarship monthly rate

4.6. Scholarship amount (duration of the mobility x monthly rate)

4.7. Living and accommodation monthly rate

4.8. Amount for living and accommodation (duration of the mobility x monthly rate per country of stay)

4.9. Lump sum for travel costs

4.10. I declare that I do have a severe or moderate disability certificate and I apply for support for a person with a disability

- YES  
 NO

4.11. Additional allowance for underage children

4.11.1. I declare that I have a minor child (children) who, on the date of submitting the application, is (are) under 18 years of age

- YES  
 NO

4.12. Total requested NAWA funding

## 5. Sustainable Development Goals (SDGs)

Does the project comply with the Sustainable Development Goals (SDGs)?

- Yes  
 No

## 6. Declarations

6.1. The information included in the above application is consistent with the facts and law. I am aware of the criminal liability, concerning the attestation of untruth about a circumstance of legal significance

I accept

6.2. Planned costs, indicated in the application are not and will not be funded from other sources

I accept

6.3. I have not been convicted of an offence related to my professional activity, breach of professional ethics, nor have I been penalised for a serious professional misconduct

I accept

6.4. I am not subject to a final judgment regarding fraud

I accept

6.5. I have not deliberately or negligently fail to perform contracts or projects financed or co-financed from public funds

I accept

6.6. I have not applied to another NAWA scholarship programme that is in the evaluation process and I am not currently implementing any other project under a NAWA scholarship programme

I accept

6.7. I am not employed or pursuing any fellowship at the host institution at the time of submitting the application

I accept

I hereby:

- consent for processing of personal data
- confirm that I have become acquainted with the rules of personal data protection indicated in the Programme Regulations
- confirm that I have fulfilled the obligation to provide information to the persons whose data have been provided within the framework of this application – by providing the rules of personal data protection indicated in the Programme Regulations

I accept

I agree to provide additional information about NAWA offerings and events

I accept

Name

Surname

Date

## 7. Questionnaire for scientists

---

### How did you learn about the programme?

Note: The question is asked for the purpose of the evaluation of the activities of NAWA only.

The answer to the question is not taken into account in the formal assessment or in the content assessment of the application.

Please select at least 1 answer, not more than 3

- NAWA's website: [www.nawa.gov.pl](http://www.nawa.gov.pl)
- NAWA's newsletter that I am subscribed to
- NAWA's social media profile: Facebook
- NAWA's social media profile: X
- NAWA's channel on YouTube
- NAWA's social media profile: LinkedIn
- Research in Poland campaign – website: [researchinpoland.org](http://researchinpoland.org)
- Research in Poland campaign social media profile: Facebook
