

Appendix 1. Incoming offer for the 2026/2027 academic year – List of countries with which cooperation is conducted, together with a description of the available forms of arrival

NAWA reserves the right to update the offer for countries on the website www.nawa.gov.pl in the case of:

- the entry into force of further bilateral agreements (i.e. intergovernmental and interministerial agreements, implementation programmes);
- the Agency receiving a new scholarship offer;
- a partner country withdrawing from cooperation, in which case the offer may be withdrawn, even after the evaluation of applications has been completed.

The offer includes scholarship quotas and financial conditions for education at universities or doctoral schools and research stays at Polish higher education and science institutions supervised by the Minister of Science and Higher Education.

Offer classified by country (alphabetically)
